PRESS RELEASE

DTS CORPORATION

DTS SOFTWARE VIETNAM CO., LTD. made a donation to a kindergarten in Lang Son province in Vietnam: Two employees interacted with 100 kindergarten children at a ceremony

On November 29, 2022, DTS SOFTWARE VIETNAM CO., LTD. (headquartered in Ba Dinh district, Hanoi, Vietnam; Nobuhiro Nakatani, General Director; hereinafter "DTS Software Vietnam") which is a group company of DTS CORPORATION (headquartered in Chuo-Ku, Tokyo; Tomoaki Kitamura, President and Representative Director; hereinafter "DTS") and operating in Vietnam made a donation to the construction and operation project of Na Thua kindergarten in Lang Son province, Vietnam as a part of its social contribution activities.

The Na Thua kindergarten, which is operated by the project, is also a nursing home for children who are unable to go to school due to poverty and children with disabilities. Nearly 100 children are learning and living together there. Through the donation from DTS Software Vietnam this time, 20 new children started receiving educational program at the kindergarten.

DTS Software Vietnam will continue to work to upgrade its corporate value from the perspective of SDGs (goal 1: no poverty, goal 4: ensuring quality education for all, etc.).

This donation was made in response to a call from the Vietnam Software & IT Services. The Vietnam Software & IT Services (abbreviated as "VINASA") was established in 2002 as a community for Vietnamese software companies. Since then, it has been operated with the aim of promoting the development of Vietnamese software and IT industries. Many of Vietnamese IT companies belong to this organization.

<Donation Recipient>

Official kindergarten name: Điểm trường Nhà Thửa - Trường mầm non xã Vân An

Location: Na Thua district, Van An village, Chi Lang county, Lang Son province, Vietnam

Ms. Nguyen Hai Uyen, manager of DTS Software Vietnam's General Affairs department (far-right) and Ms. Nguyen Thi Phuong, leader of the General Affairs department (far-left) to give donations.

Overview of Kindergarten Construction and Operation Project

The purpose of this project is to construct and operate a kindergarten with a nursing home for children who cannot go to school due to poverty, children who are disadvantaged in an educational environment, and children with disabilities.

The total amount of the project is 1.2 billion Vietnamese dong (equivalent to approximately 6.7 million Japanese yen). The project, which began in 2022, has constructed kindergarten building, playground etc. so far. In this project, procurement of necessary equipment for education is planned. At this kindergarten, nearly 100 children between the ages of four and five are living and learning together.
